

## **What I hear Abba saying: "Stand Warrior, Stand"**

The Lord has been so consistent in revealing to us the time and dimension He is preparing us for. There is coming a place that we have never seen before that requires us to have no choice but to stand in who we are. We are coming to a place where we have nothing left but to stand in who we are; His identity in us!

I look back and see since 2012 what God has been doing in Spirit Fire. God is preparing us for a time where fear rules the worldly sense realm but yet will not touch those who know who their God is. It is a place where the kingdom manifests everywhere we look. It is a place where we will be astonished at how real the Word of God is, and how vast, how deep, how strong, how high, how wide He is. It is a place where His reality, His dream is made manifest in us. It is a place where the irresistible light of "I Am" penetrates the darkness. Our reality will be the Truth! It is a place where Jesus will shine through us in such a way the world will see Him and desire Him.

The Lord revealed to me tonight that He is taking us to a place where the things that we have carried for so long must be laid down. The Lord is stripping us of what weighs us down in this race. We are arriving to a place where the compromises and old man must be shed off completely. The fleshly hinderances will cease to cause us to compromise. I remember when Dr. Pat stated what the Lord spoke to her. That this is a year of No-compromise. The things we used to get away with, the things that haunted our choices-- we will have no choice but to lay them down and allow His Holy Spirit to shed us of all dead-weights. Choice will lead to life, or death. Mediocrity and complacency will no longer be acceptable. In order for us to go Higher, cleansing of all old ways must happen!

Personally, I have seen the hand of God the first half of this year, moving, appropriating, saving, and working! He made it clear to me that I will have no choice but to stand in Who I Am. I remember the Word He gave, saying "I sent my Word for YOU!! Your reality of "Oneness" with me will define your circumstances, rather than your circumstances defining you." Today, I see I have a choice to choose Joy! I have a choice to listen and obey His Spirit. I have a choice to STAND. I have a choice to push into Him. I have a choice to learn Him rather than seeking encounters with Him. The necessary anointing only came from the place of intimacy. There, excellence is the only option.

Deuteronomy 30:19 AMP

"I call heaven and earth to witness this day against you that I have set before you life and death, the blessings and the curses; therefore choose life, that you and your descendants may live"

John 10:10 AMP

"The thief comes only in order to steal and kill and destroy. I came that they may have and enjoy life, and have it in abundance (to the full, till it overflows)."

Joshua 1:9 AMP

"Have not I commanded you? Be strong, vigorous, and very courageous. Be not afraid, neither be dismayed, for the Lord your God is with you wherever you go."

Hebrews 12:1-2 Mirror

"So now the stage is set for us: all these faith-heroes cheer us on as it were like a great multitude of spectators in the amphitheater. This is our moment. As with an athlete who is determined to win, it would be silly to carry any baggage of the old law-system that would weigh one down. Make sure you do not get your feet clogged up with sin-consciousness. Become absolutely streamlined in faith. Run the race of your spiritual life with total persuasion. (Persuaded in the success of the cross.) Look away from the shadow dispensation of the law and the prophets and fix your eyes upon Jesus. He is the fountainhead and conclusion of faith. He saw the joy (of mankind's salvation) when he braved the cross and despised the shame of it. As the executive authority of God (the right hand of the Throne of God)

he now occupies the highest seat of dominion to endorse man's innocence!"

I couldn't help but to write quickly and share what the Lord began to show me! I am blessed to have you guys as leaders, mentors, friends and Pastor in my life! I'm truly blessed!
